About Our Guest Speaker

Professor Wood has been a burns surgeon and researcher for the past 20 years and is Director of the Burns Service of Western Australia. She is a Consultant Plastic Surgeon at Fiona Stanley Hospital and Princess Margaret Hospital for Children. She is co-founder of the first skin cell laboratory in WA, Winthrop Professor in the School of Surgery at The University of Western Australia, and co-founder of the Fiona Wood Foundation. Professor Wood's greatest contribution and enduring legacy is her work pioneering the innovative 'spray-on skin' technique (Recell), which greatly reduces permanent scarring in burns victims.
